

TACTIC

CRITICAL MASS

Large, festive, monthly bike rides in cities around the world, arranged in a spirit of do-it-yourself "organized coincidences," that prefigure future cities in which bicycles actually hold their own as traffic.

RELATED TOOLS

Stories

- Bicycle rally for peace

Tactics

- Civil disobedience
- Distributed action
- Flash mob

Principles

- Build strength through repetition
- Enable, don't command
- No one wants to watch a drum circle
- Simple rules can have grand results

Theories

- Prefigurative politics
- Temporary autonomous zone
