# **ETHICAL SHOPLIFTING**

Stealing (labour, time, ideas, lives) is what large transnational corporations do. Is it not ethical, then, for customers and employees to steal back a few small items to highlight the larger injustice?

## **CONTRIBUTED BY**

### **Beautiful Trouble**

Beautiful Trouble is a globally dispersed group of activists whose mission is to make nonviolent revolution irresistible by providing strategic tools and trainings to inspire movements for a more just, healthy, and equitable world.
