

# TACTIC NUDITY

Since being naked makes a person both vulnerable and powerful at the same time, nudity can be a potent method of nonviolent resistance. It shows both fearlessness and that, literally, you have nothing to hide.

## CONTRIBUTED BY

### Beautiful Trouble

Beautiful Trouble is a globally dispersed group of activists whose mission is to make nonviolent revolution irresistible by providing strategic tools and trainings to inspire movements for a more just, healthy, and equitable world.
