

TACTIC

PUBLIC ART INTERVENTION

An artwork installed in public space (say, the AIDS Quilt laid out on the Washington Mall, or an unauthorized statue of Edward Snowden put up at night in a city park) that provokes thought and challenges power.

CONTRIBUTED BY

Beautiful Trouble

Beautiful Trouble is a globally dispersed group of activists whose mission is to make nonviolent revolution irresistible by providing strategic tools and trainings to inspire movements for a more just, healthy, and equitable world.
