

TACTIC

SHOP-DROPPING

When you shop-lift, you take something from a store; when you shop-drop, you *leave* something. The customer thinks it's a normal item, but hiding inside is a critique of sweatshops or a mind-blowing surprise!

CONTRIBUTED BY

Beautiful Trouble

Beautiful Trouble is a globally dispersed group of activists whose mission is to make nonviolent revolution irresistible by providing strategic tools and trainings to inspire movements for a more just, healthy, and equitable world.
